

Infinity - Amsterdam Zuidas

Welcome to Amsterdam on the Zuidas!

Infinity is located in the heart of the international business center and is characterized by its exceptional exterior. This iconic building rests on sixteen pillars so that it is lifted above the highway and the mostly glass walls provide a pleasant and bright work environment. The building has excellent accessibility and includes modern spaces with breathtaking views over the city and the Amsterdamse Bos (forest). An inspiring place that will ensure you getting the most out of your training.

All training rooms are fully well-appointed and are equipped with Evian water, coffee, tea, hi-speed internet and high-quality presentation equipment. This is a quiet and inspiring place to be completely absorbed in the training. On training days in the evening you'll all go out for dinner in a nearby restaurant. Have you booked an overnight stay through us? Then you can check in at Spa Sport Hotel Zuiver after dinner. The hotel is within walking distance of the Infinity building and breakfast is included.

Arrangement includes:

- Coffee, tea and ice-cold water throughout the day
- Lunch with milk and fruit juices
- Snack with drink (when there's an evening programme)
- Dinner with 4 drinks (when there's an evening programme)
- Bed and breakfast (if booked)
- Rental of venue, equipment and other facilities necessary for the execution of the training

Facilities training location

- Free standard Wi-Fi
